The primary goal of the Fringe Festival is to provide a theatrical experience for the SETC Convention attendees as well as a forum for works which may not easily fit in the parameters of other venues. The Festival Performance should not be considered a showcase for future bookings or self promotion. In addition, all SETC events should be open to all members, if your production contains content which may not be suitable for all audience members, please note this on your application and on your flyers at the convention site.

Please return application and materials by November 15 to:
Steve Bayless, SETC Vice President Programming - 4945 B 91st Avenue, Pinellas Park, FL 33782
Email: steveb@setc.org Phone: 727-560-8879
Shows will be chosen by December 15
