Looking for innovative design-tech solutions? Look no more!

OUTSIDE THE BOX: 25 Design-Tech Strategies to Save You Time and Money is packed with practical ideas that are proven to work. Top design-tech professionals share their secrets in this how-to book published by the Southeastern Theatre Conference, the nation's largest regional theatre organization. The first book in the SETC Field Guide Series, *OUTSIDE THE BOX* is a collection of new articles and previously published columns (updated for this book) from the popular "Outside the Box: Design-Tech Solutions" column in *Southern Theatre* magazine. The innovative and cost-saving solutions to design-tech problems will inform, assist, and inspire a wide spectrum of workers in the field of theatre, from seasoned professionals to recent graduates.

"This book will serve as an invaluable tool for all craftspeople in the theatre. The challenges presented are varied; and they all share practical, efficient and inexpensive approaches to overcome different problems."

– **William Ivey Long**, foreword to *OUTSIDE THE BOX*.

OUTSIDE THE BOX explores techniques and tips in **Scenery, Lighting, Special Effects, Costuming** and **Tech Software** through 25 articles including:

- Working Sink: Make Running Water with Garden Sprayer, Air
- Into Thin Air: Make Actors "Disappear" without Pyrotechnics
- Period Shoes: Characters Can Mosey to Moliere in Boots
- Gobos: Make Your Own for Less than \$2 Each
- Snow: Make a Snowmaker for Less than \$60
- Breakaway Glass
- Onstage Pool: Create a Splash Hit on Your Stage
- 3-D Bricks

Articles feature step-by-step instructions, photographs, diagrams, safety notes, material lists as well as budgeting information. Each article is accompanied with author bio and contact information for additional information/questions.

OUTSIDE THE BOX can be ordered directly from the Southeastern Theatre Conference by calling 336-272-3645, or by going online to www.setc.org where you will find a full description and a table of contents.
